The AASRT website will keep anyone with computer access current on happenings in the community. Webmaster Sam Vargas volunteers his time in support of our website. Recent newsletters, links to other professional groups, and AASRT news can always be found at www.aasrt.org. This website also has a page with a current membership list. If you have forgotten when your membership expires, check the site. If your name is NOT listed, you are no longer current. Dates should match what is on your membership card. Please call or email John Mayes if you think you've found an error.

CHECK YOUR MAILING LABEL or Membership Card: If your membership expiration is noted as 12/31/07, this will be your last newsletter unless you renew. Applicants may renew (or join) at any time. Annual dues are \$25 per year and you're getting lots of 'bang to the buck' with CE and meals with a newsletter in any month there is a meeting, and the website that is available to all technologists with computer access. For anyone whose membership is current, renewing simply adds 12 months to that renewal date. Anyone can join (or re-join/renew) at any time using the renewal form below (or equivalent): **(Please answer ALL the questions!)**
